Answer, fully and completely, all applicable parts. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "unknown" or "indeterminate" may not be sufficient to determine if Sick Leave Pool criteria is met. **Please be sure to sign the form on the last page.**

Part A: MEDICAL FACTS

Conditions eligible for Sick Leave Pool awards must be considered catastrophic. For purposes of Sick Leave Pool, pregnancy and elective surgery are not considered catastrophic conditions, except when life-threatening complications arise from them.

1. Does the patient's condition qualify under the following? Yes No **If Yes**, check all that apply:

- Result in death if not treated promptly
- Result in the loss of an arm, leg, major appendage if not treated promptly
- Result in the permanent inability to self ambulate if not treated promptly
- Result in the loss or significant limitation of the sense of touch, hearing or sight
- Mental or behavioral health condition causes patient to be incapable of self-care
- Declared a danger to him or herself or others

If No, STOP HERE. The condition(s) does not qualify for an award of Sick Leave Pool. The employee may still qualify for unpaid FMLA or other leave options. The employee should contact Human Resources to discuss all other available leave options.

2. Is the condition arising out of the employee's current employment? Yes No

If Yes, STOP HERE. Occupational injuries or illnesses related to current employment are not eligible for an award of Sick Leave Pool. The employee may still qualify for benefits under the workers' compensation program. The employee should contact their manager to report a work-related condition.
