SB-29, which passed during the 2011 legislative session, enables holders of major fellowships ($10K or more in stipend) to access the university's group medical insurance plan during the months they are on the fellowship. Please note that there is no funding provided by the university to pay the medical premium for the Fellowship recipient. The bill simply grants eligibility to the group medical benefits plan (i.e., basic medical for the fellow and dependents, dental and/or vision insurance). Please complete electronically and/or print clearly and make sure to sign and submit this form to your institution HR/Benefits Office within 31 calendar days of beginning your fellowship. Keep a copy for your records. You may refer to the UT Benefits Handbook and plan guides for details at www.utsystem.edu/offices/employee-benefits/

AUTHORIZATION, ACKNOWLEDGMENT, AND TPP DECLARATION

State Government Privacy Policy
With few exceptions, you are entitled to request and to receive and review under Sections 552.021 and 552.023 of the Texas Government Code (the Texas Public Information Act), information that UT System Administration or another UT System institution collects and retains about you. Under Section 559.004, you are entitled to have incorrect information that is retained about you corrected. You can obtain information about how to request access to such information at: www.utsystem.edu/ogc/openrecords/access.htm

Notice About Social Security Numbers (SSNs)
Federal law requires the University of Texas System to report income information and the SSN for all employees to whom compensation is paid. Employee’s SSNs are also maintained and used for payroll and benefits and verification purposes as required and permitted by state and federal law. Nonemployee SSNs are requested for use and disclosure for benefits and verification purposes as permitted by state and federal law.
Tobacco Premium Program. “Tobacco Products” includes but is not limited to: cigarettes, cigars, pipes, all forms of smokeless tobacco (chewing tobacco, snuff, dip, or any other product that contains tobacco), clove cigarettes and any other smoking devices that use tobacco such as hookahs. E-cigarettes are also included. “Tobacco User” is defined by UT System Office of Employee Benefits as a person who has used tobacco products within the past sixty (60) days. The sixty days are from the day this certification is signed. It is my obligation to submit an amended declaration if I or anyone else declared on this form to be a Non-Tobacco User uses Tobacco Products. I also understand that failure to do so is a violation of the UT SELECT Medical plan rules and UT System policy. I understand that all premium surcharges charges as a Tobacco User will be prospective. I further understand that if I or a dependent subsequently cease to be a Tobacco User, I will not be refunded any part of the Tobacco User premium surcharges I have already paid.

Medicare Eligibility I understand that, whether or not I actually enroll in Medicare, the UT System group health plan (UT SELECT) will be secondary to Medicare when I am eligible for Medicare and not employed in a benefits eligible position with a UT Institution. I also understand that UT strongly recommends that participants who will not be working in a benefits eligible position should enroll in Medicare Parts A and B as soon as they are eligible. Further, I understand that if my dependent(s) are enrolled in UT SELECT and are eligible for Medicare, UT SELECT will be secondary to Medicare for them when I am not working in a benefits eligible position. NOTE: An individual usually becomes eligible for Medicare on the first of the month in which they will turn 65 or sooner due to certain disabilities. For any period in which you and/or your dependents are Medicare eligible and you are not working in a benefits-eligible position, UT SELECT benefits will be reduced by the amount normally paid by Medicare. Please consult your institution’s Benefits Office (www.utsystem.edu/benefits/contacts) or CMS for more information about Medicare eligibility and when to apply.
