E AUTHORIZATION, ACKNOWLEDGMENT, AND TPP DECLARATION**Tobacco Premium Program**

"Tobacco Products" includes but is not limited to: cigarettes, cigars, pipes, all forms of smokeless tobacco (chewing tobacco, snuff, dip, or any other product that contains tobacco), clove cigarettes and any other smoking devices that use tobacco such as hookahs. E-cigarettes are also included. "Tobacco User" is defined by UT System Office of Employee Benefits as a person who has used tobacco products within the past sixty (60) days. The sixty days are from the day this certification is signed. It is my obligation to submit an amended declaration if I or anyone else declared on this form to be a Non-Tobacco User uses Tobacco Products. I also understand that failure to do so is a violation of the UT SELECT Medical plan rules and UT System policy. I understand that all premium surcharges charges as a Tobacco User will be prospective. I further understand that if I or a dependent subsequently cease to be a Tobacco User, and I submit an amended declaration changing a Tobacco User to a Non-Tobacco User, I will not be refunded any part of the Tobacco User premium surcharges I have already paid.

Dependent Certification

By enrolling your Dependents you certify you understand the definition of a Dependent and acknowledge that misrepresentation by an Employee or Retired Employee of benefit eligibility requirements constitutes a violation of the Office of Employee Benefits official policy and a violation of The University of Texas System Rules and Regulations of the Board of Regents, Series 31013(1). Possible sanctions for such a violation range from a reprimand to dismissal. A Subscriber who enrolls an ineligible Dependent in program coverage may be responsible for reimbursement of prior premiums or claims incurred by the Dependents. A verified misrepresentation by an Employee or Retired Employee shall be reported by OEB to the appropriate institution for investigation and possible sanctions. Deliberate misrepresentation of Dependent eligibility by a Subscriber may constitute criminal fraud and result in a referral to a law enforcement office.

Definition of Dependent

For UT SELECT Medical: Your spouse (an individual to whom you are lawfully married, of the opposite or same sex); your child(ren) under age 26 including stepchildren and adopted children; your unmarried grandchild under age 25 if the child qualifies and is claimed as your dependent for federal tax purposes; certain children over age 26 who are determined by OEB to be medically incapacitated and are unable to provide their own support; and children for whom you are named a legal guardian or who are the subject of a medical support order.

For all other UT Benefits: Your spouse (an individual to whom you are lawfully married, of the opposite or same sex); your unmarried child(ren) under age 25 including stepchildren and adopted children; your unmarried grandchild under age 25 if the child qualifies and is claimed as your dependent for federal tax purposes; certain children over age 25 who are determined by OEB to be medically incapacitated and are unable to provide their own support; and children for whom you are named a legal guardian or who are the subject of a medical support order.

A Dependent does not mean anyone who is on active duty in the armed forces of any country (for coverage other than UT SELECT Medical). A dependent that has coverage under any plan for which the dependent already receives a premium sharing contribution from the State of Texas is not eligible for premium sharing under the UT SELECT plan. This includes any Employee, Retiree or Dependent coverage under another University of Texas or Texas A&M plan, and any plan offered by a Texas state agency, and certain public school districts.

Notice About Social Security Numbers (SSNs)

Federal law requires the University of Texas System to report income information and the SSN for all employees to whom compensation is paid. Employee's SSNs are also maintained and used for payroll and benefits and verification purposes as required and permitted by state and federal law. Nonemployee SSNs are requested for use and disclosure for benefits and verification purposes as permitted by state and federal law.

State Government Privacy Policy

With few exceptions, you are entitled to request and to receive and review under Sections 552.021 and 552.023 of the Texas Government Code (the Texas Public Information Act), information that UT System Administration or another UT System institution collects and retains about you. Under Section 559.004, you are entitled to have incorrect information that is retained about you corrected. You can obtain information about how to request access to such information at: www.utsystem.edu/ogc/openrecords/access.htm.

Medicare Eligibility

I understand that, whether or not I actually enroll in Medicare, the UT System group health plan (UT SELECT) will be secondary to Medicare when I am eligible for Medicare and not employed in a benefits eligible position with a UT Institution. I also understand that UT strongly recommends that participants who will not be working in a benefits eligible position should enroll in Medicare Parts A and B as soon as they are eligible. Further, I understand that if my dependent(s) are enrolled in UT SELECT and are eligible for Medicare, UT SELECT will be secondary to Medicare for them when I am not working in a benefits eligible position. NOTE: An individual usually becomes eligible for Medicare on the first of the month in which they will turn 65 or sooner due to certain disabilities. For any period in which you and/or your dependents are Medicare eligible and you are not working in a benefits-eligible position, UT SELECT benefits will be reduced by the amount normally paid by Medicare. Please consult your institution's Benefits Office (www.utsystem.edu/benefits/contacts) or CMS for more information about Medicare eligibility and when to apply.

Insurance Benefits Eligibility

I understand that I am only eligible to participate in UT System group employee health and other insurance benefits as a retiree if I retire as an annuitant from the Teacher Retirement System (TRS) or the Employees Retirement System (ERS); or if I am a member of the Optional Retirement Program (ORP) established by Chapter 830, Government Code, if I have completed an ORP Declaration of Retirement form. I further understand that if I fail to complete the retirement process and/or fail to receive annuity through TRS or ERS, I will not be eligible for UT System group insurance benefits as a retiree. I also understand that it is my responsibility to notify my UT System institution benefits office if I fail to either become a TRS or ORP annuitant, or sign the ORP Declaration of Retirement form; and that my failure to do so may constitute insurance fraud.

By signing this form, I agree to timely pay for all coverages set forth on this form in which I have elected to enroll and to otherwise comply with the UT System Uniform Group Insurance Program rules and Texas Insurance Code Chapter 1601. I also confirm that all information I have provided on this form is correct to the best of my knowledge; and, that I have read and understand all of the notices provided on this form.
